Hi
If you send it to me, I can print it for Greg to sign (after he reviews it) and scan it back to you

Good morning Karen and Shea! We are routing a letter to the Oglala Sioux Tribe, for Greg's signature, through this UIC routing process. I signed off on the letter moments ago, so it should be showing up in Greg's inbox now. I'd appreciate any help in getting the letter reviewed and hopefully signed by Greg today. Let me know what I can do to support the process – I'm in the office today.

Thanks!
D

I don't think I've gotten a request to concur electronically through the system, but I just reviewed and concur.
